Coalition Activities: Training &
Education in the community
(pg.2)

Keep on keeping on!!

2025 has started with a bang and our coalition is having a blast being a part of the community. We have seen growth in the coalition with new members and been involved in education and training in the community at the beginning of this year!

This newsletter will act as one of the ways to keep members and partners aware of what efforts are being conducted to achieve a better Wichita for all.

We are a proud chamber member!!

POSTER CONTEST WINNERS: BRYCEN FROST & ZACH WINEINGER

Media Campaign

One of the biggest successes of the coalition was the media campaign poster contest. High School students of Wichita county competed to win our poster contest for the opportunity to have their artwork placed on the digital billboards in Wichita county. This campaign allowed for tons of community involvement and interaction that has been beneficial to the coalitions efforts.

Inside The Work

- We were able to partner with Grace Church of Iowa Park TX and be a part of a youth/children's retreat in which we were able to provide alternative activities, incentives, and education to help with the positive behavioral health in these students lives.

- We are also excited to be a part of the upcoming public health fair in Wichita Falls. We are thankful to have public health officials as a part of our coalition and they are a pivotal piece in continuing to move the coalitions mission forward

Member Spotlight

Danyelle Vasquez is an Advanced Certified Prevention Specialist who is passionate about all prevention work. Her tenacious drive and innovative thinking are the perfect attributes for what she does not only in the classroom, but also in the coalition. We are privileged to have her as a part of the team.
