The first of many successes!!

As we enter into the new year, the Prevention Alliance for Wichita is going to be mobilizing itself within the community to become a more familiar face and partner for the benefit of the county.

This newsletter will act as one of the ways to keep members and partners aware of what efforts are being conducted to achieve a better Wichita for all.

We are a proud chamber member!!

Ribbon Cutting

On November 12th, we became official by having our ribbon cutting event. Thank you to the Chamber of Commerce here in Wichita Falls and to all the coalition members and guests who showed up to celebrate. It was a momentous occasion and we are looking forward to making a lasting impact in the community

Inside The Work

- We were able to partner with Life Church of Wichita Falls TX who hosted a Community Day at Spudder Park here in the city. We were able to offer a positive alternative activity for 3 hours to an underserved area of the community where there was free food, games, music, and giveaways to all ages in attendance
- We were also privileged to be a part of the Friendship Festival which takes place in a nearby city, Burkburnett TX. There we were able to provide behavioral health resource information and also give water to the attendees.

Member Spotlight

Gene Holley Jr is the Pastor of Life Church in Wichita Falls TX. His passion for people and love for the community are vital reasons why he is an asset to the coalition. His drive to see a better Wichita are reflected in his excitement and involvement in everything the coalition implements.
